LORRAINE BOWEN'S GREATEST HITS SHOW

A selection of Lorraine Bowen's best-loved songs

CONTENT: Lorraine performs an hour solo set of her GREATEST HITS including Space, Fun to be a Fish, Burger Song, Ice-Cream Lady and of course the legendary Crumble Song with guaranteed sing-alongs. This show is particularly good for all ages. The show can be adapted for adults only if required.

DURATION: 30 minutes to one hour

LORRAINE BOWEN'S VITAL ORGANS

Lorraine Bowen's quirky solo show in two halves

CONTENT: Lorraine showcases her vintage electronic organ collection from the classic 1960s stylophone to 1980s Casiotone keyboard and the curious-looking Suzuki Omnichord.

In the first half she gives a potted history of the organ, demonstrates basic organs including the harmonium and melodica and sings/plays songs to demonstrate. The second half is given over to domestic electronic organs from the stylophone to the Casiotone MT range with demonstrations and a finale revising all the instruments in a Crumble Song instrumental.

This event is particularly suitable for festivals and quirky comedy style lecture events.

The show involves a fold-up harmonium and a large collection of portable instruments so an additional assistant is needed to help set up, stage manage and take the equipment to the event.

DURATION: A) One 50 minute set
B) Two 25 minute sets with a 15-20 minute interval

LORRAINE BOWEN'S POLYESTER FIESTA!

Lorraine Bowen's vintage comedy fashion show

CONTENT: Lorraine celebrates 75 years of polyester with her outstanding collection of colourful man-made outfits in this comedy cabaret.

The show involves a cast of six who model an array of outfits in this fast-paced catwalk show.

The audience is seated around the catwalk and here is also an audience polyester fashion competition as part of the show and dressing-up is encouraged.

Lorraine is able to adapt the show into four different formats depending on your event and requirements.

It's kitsch, it's fun, it's nostalgic, but there's also a message behind the show - recycle and re-use, and cherish your vintage clothing. *Lorraine Bowen's Polyester Fiesta!* Is a totally original show which has featured on BBC Radio 4's Woman's Hour, BBC1's The One Show and has been performed all over the UK.

It's a huge hit with anyone from 9 – 90 years and audience of any size. This show works especially well at corporate events and festivals.
